State Fair Called Off.

To the exhibitors and patrons of the State Fair of Texas:
The War Department, through the Division of Aeronautics, having taken over Fair Park for continued use as an aviation concentration camp, the Board of Directors of the State Fair of Texas, in patriotic deference to war demands, and feeling that any sacrifice, no matter how great should be made to cooperate in the speedy and successful winning of the war, have promptly acquiesced in every demand that has been made at all times.

For this reason, the Thirty-Third Annual Fair and Exposition announced for the dates of October 15-21, 1916, has of necessity, had to be abandoned.

While keenly appreciating that the abandonment of the Fair for 1916 is a supreme sacrifice by the citizenship of all Texas and the entire Southwest, the Board of Directors is confident that this action of cooperation with our Government, will be unanimously commended.

THE STATE FAIR OF TEXAS
R. E. L. Knight, President.
W. H. Stratton, Secretary.

See what comes of it. Here's hoping they get a gusher.
